Subject: Submission of Suggestions and Request for Presentation on ICAO Study and AAI Observations

Respected Sir,

We are pleased to submit our detailed suggestions and recommendations regarding the ICAO study and the observations made by AAI, which were previously shared with us. A copy of these submissions was also forwarded to your office on April 10, 2026.

Our recommendations have been formulated after careful analysis, with a strong emphasis on ensuring the highest standards of safety and security in aircraft operations. At the same time, we have sought to address the critical need to maintain a balanced approach between airport expansion and urban development, in the broader interest of sustainable economic growth. In preparing our submission, we have primarily referred to the European Union Aviation Safety Agency (EASA) Regulation (EU) 2018/1139 and the Civil Aviation Safety Authority (CASA) regulations of Australia.

Given the importance and complexity of these matters, we respectfully request the opportunity to present our submissions to the ICAO team. We believe that such a presentation would provide a more comprehensive understanding of the operational, regulatory, and developmental considerations involved.

We look forward to your kind consideration and a positive response.

Yours sincerely,
For CREDAI-MCHI
